On behalf of City Council and the residents of Richmond, I would like to extend sincerest greetings, and welcome you all to the 39th Annual MusicFest Canada being held in Richmond, May 16 to 20, 2011. ■ The opportunity to share music is one of life's greatest pleasures, and MusicFest participants are very fortunate to have a forum in which to exhibit their talents and enjoy the camaraderie of fellow musicians and educators. During this event, young musicians from across the country are sure to be inspired. ■ For those of you visiting Richmond, I hope you will find the opportunity to enjoy the restaurants that are abundant in our city, as well as our many shopping destinations and recreational facilities. Richmond is also home to an abundance of natural parks, gardens, and miles of dykes to walk and explore. ■ Please accept my thanks to the organizers who worked so diligently to make this year's MusicFest a success, and best wishes to all the participants for an entertaining and memorable experience.

Au nom du conseil municipal et des résidents de Richmond, j'aimerais vous transmettre mes plus sincères salutations et vous souhaiter la bienvenue à l'occasion de la 39e édition du MusicFest Canada qui se tiendra à Richmond du 16 au 20 mai 2011. ■ Un des plus grands plaisirs de la vie est l'occasion de partager la musique, et les participants du MusicFest ont la chance de bénéficier d'une tribune pour exprimer leur talent et de forger des liens de camaraderie avec leurs collègues et éducateurs. Message from the President of MusicFest Canada Message du Président de MusicFest Canada

Welcome to the 39th Annual MusicFest Canada, "The Nationals". We are delighted to be back in the City of Richmond, our home when we are in Western Canada. ■ This year we have a special focus on our two honour ensembles. We had almost 200 outstanding young musicians apply for the Yamaha All-Star Band and the Denis Wick Canadian Wind Orchestra. Both ensembles will be performing at the Centre for the Performing Arts on our "Honour Ensemble Day". We are expecting 4,000 participants to enjoy their performances. We welcome Dr. Gillian MacKay as the new Co-Director of the CWO, as well as guest conductors Stephen Wick and Maestro Bramwell Tovey. ■ The Festival would not be possible without our sponsors ... our partners in music education. We are pleased to welcome and add to this auspicious list DANSR, Hamilton Music Stands and, of course, Denis Wick London. They join our sustaining presenting partners, Yamaha Canada Music Ltd. and the National Arts Centre/Centre National des Arts. ■ I hope you will take this opportunity to attend all of the clinics, workshops, educoncerts and evening concerts featuring dazzling musicians from the Lower Mainland and from right across Canada. And don't forget that next year is a very special event. It is the 40th Anniversary of MusicFest and is being hosted by the National Arts Centre/Centre National des Arts in Ottawa. ■ Have a wonderful time in Richmond and we will see you in Ottawa in May of 2012.

Bienvenue au 39e MusicFest Canada annuel, les «Nationales». Nous sommes enchantés d'être de retour à Richmond, notre port d'attache, lorsque nous sommes dans l'Ouest du pays. ■ Cette année, deux ensembles retiennent notre attention. Presque 200 jeunes musiciens exceptionnels ont soumis leur candidature pour jouer avec l'ensemble Yamaha All-Star Band et le Canadian Wind Orchestra de Denis Wick. Ces deux groupes s'exécuteront au Centre for the Performing Arts de Vancouver le jour réservé aux ensembles à l'honneur. Leur prestation régalerai, j'en suis certain, les 4 000 participants que nous attendons. Nous accueillons avec plaisir le nouveau codirecteur du CWO ainsi que les chefs invités, Stephen Wick et le maestro Bramwell Tovey. ■ Le Festival ne serait pas possible sans l'appui de nos commanditaires ... nos partenaires en éducation musicale. Nous sommes heureux de souhaiter la bienvenue et d'ajouter à cette prestigieuse liste, DANSR, Hamilton Music Stands des Arts. ■ J'espère que vous saurez profiter de l'opportunité qui vous est offerte en assistant à tous les ateliers, éduconcerts et concerts en soirée un événement très spécial, le 40e anniversaire de MusicFest, qui se tiendra au Centre National des Arts à Ottawa. ■ Amusez-vous bien à Richmond et nous nous reverrons à Ottawa en mai 2012.

It gives me great pleasure to extend my warmest greetings to everyone taking part in MusicFest Canada's 39th Annual Festival in Richmond. ■ First held in 1972, this festival is now the largest event of its kind in North America and provides a forum where young musicians and educators can share their talent and passion for music. As Premier of the Province of British Columbia, I am pleased to welcome everyone to the 39th Annual MusicFest Canada. I am pleased to see that it is being hosted this year by the City of Richmond, one of our culturally diverse and geographically unique communities. ■ MusicFest has proven to be an incredibly successful occasion for musicians to perform and share their passion for musical expression through their instruments and their words. It also provides educational workshops focusing on instruments, voice, presentation, improvisation, mentorship and so much more. The program provides spectators with a vast array of musical pieces, from individuals and groups, and the experience will leave them with lasting memories of a most enriching experience. ■ I commend everyone involved in the planning and organizing of this exciting event. Your help and commitment is what makes MusicFest such a success each and every year. ■ Enjoy yourselves at the festival and I hope you will also have a chance to enjoy Richmond and the Metro Vancouver area as well.

C'est avec grand plaisir également que je constate que l'événement a lieu cette année dans la ville de Richmond, l'une de nos collectivités les plus diversifiées et les plus riches sur le plan culturel, et des plus exceptionnelles sur le plan géographique. ■ MusicFest est devenue une fantastique occasion en même temps qu'une grande fête des plus réussies, où les musiciens et musiciennes peuvent venir partager leur passion pour l'expression musicale par leurs mots ou leurs instruments, la voix, la présentation, l'improvisation, le mentorat et bien d'autres thèmes. At Canada's National Arts Centre, part of our mandate is to nurture and support the performing arts from coast to coast, while investing in the talented artists of tomorrow. We achieve this goal by offering some of the most comprehensive and diverse programming for aspiring artists and young audiences anywhere in the world; as well as through touring, educational events, co-productions and partnerships with important national festivals such as MusicFest Canada. ■ As a featured sponsor and biennial host of the MusicFest Nationals for the past six years, we've had the privilege of hearing performances by thousands and thousands of dedicated young musicians who are inspired by distinguished music educators that give so willingly of their talent and expertise every year. We know your time in Richmond, B.C. will not only be creatively rewarding, but also filled with memories that will last a lifetime. ■ All of us at Canada's National Arts Centre in Ottawa wish you every success for the festival in Richmond this year, and we are equally excited about welcoming you back to the nation's capital in 2012, where we will once again fill the NAC's halls with your music, energy and talent. ■ Please accept my best wishes for a highly successful festival!

WE'VE ADDED TO OUR LEGACY®.

...there are now three versions to choose from.

Wenger pioneered acoustical shell design. Our latest innovation turns one popular acoustical shell into three application - and budget-specific solutions.

Legacy Classic has been redesigned for fast and easy set-up and take-down, by one person. Its bottom kicker panel and larger canopy provide better acoustics than its direct competitor. And there are no feet protruding from the front to trip over.

Legacy Basic offers the same acoustics in a smaller design at an incredible price.

Legacy Select is a new curved-panel design available in any color and luxurious finishes for an appearance as breathtaking as its sound.

And maybe best of all, Legacy mobility allows you to acoustically transform almost any space into a performance venue. And when the performance is over, each model goes down easily and nests together compactly.

Whether you need to set up in a cafeteria or a recital hall, now there's a Legacy shell with great acoustics and aesthetics that meets all your performance needs.

Which Legacy model is right for you? Your Wenger representative will know. Our learned staff is the pride of the industry and your best resource for insightful information and the genuine concern you deserve. CUBE XL

NEW CUBE ATTITUDE!

The foundation of great sound starts here

COSM AMP

Powered by COSM technology
COSM, Composite Object Sound Modeling technology, recreates the authentic sound of classic amps and effects, and also provides creative controls to take them into another realm (CUBE-80XL/40XL/20XL).

COSM

Extreme Amp with massive gain

Extreme is an innovative new COSM amp model that offers intense high gain distortion with an edgy, crisp tone—an amazing sound that no other amp has been able to achieve!

2-channel Clean & Lead configuration with Solo

Instantly switch to any tone you've stored in memory for backing, leads, or solos (CUBE-80XL/40XL).

UNIQUE CABINET DESIGN

The embodiment of Roland's world-leading R&D Every aspect of the XL-series' cabinet design has been thoughtfully and thoroughly crafted — from the road-tough materials used to the strategic port design.

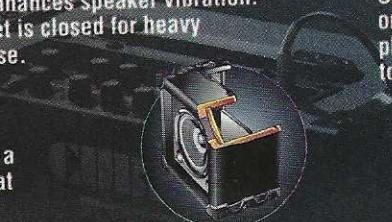

Strong, direct-joint construction

The CUBE-XL's speaker baffle features direct-joint construction, which enhances speaker vibration. The back of the cabinet is closed for heavy low-frequency response.

Built for the road

The cabinet features corner protectors and a robust metal grille that are built road tough.

The rubber feet enhance acoustic performance while preventing slippage.

CUSTOM SPEAKERS

Newly developed speaker

The high-performance CUBE-XL speakers have been specially designed to perfectly match the cabinet, and to suit the tonal quality and output of each amp in the series.

Quality speaker-cone material

The speaker cone is based on a meticulous design process. The material is durable yet highly responsive. In conjunction with powerful magnetic circuitry, it provides sensitive, dynamic performance.

EXPAND YOUR POSSIBILITIES

Hands-on, high-quality effects

The CUBE-80XL, 40XL, and 20XL are loaded with great effects, including rich spatial sounds and Heavy Octave for fattening the low end. The CUBE-15XL features authentic distortion circuitry derived from BOSS's famous compact pedals.

COSM digital spring reverb
This modeled reverb realistically reproduces the classic sound of vintage spring reverbs — a staple of surf music, country, and blues (CUBE-80XL/40XL/20XL).

Built-in Looper for high-impact performance

Use the built-in Looper to create dramatic one-person performances by recording a backing phrase for up to 80 seconds and soloing over the top (CUBE-80XL/40XL).

The RingBinder

NOW THE ONLY THING LEFT TO WORRY ABOUT DROPPING IS THAT HIGH 'G'.

It's hard to sing with confidence when you're worried about your music falling out. So why not eliminate that concern? Our *RingBinder* guarantees a gripping performance – along with smooth, snag-free page turns thanks to a clever ring interlock. And it opens by pressing a single tab.

Or choose *The Black Folder* (right) or *CHORALEX™ Compact*. Their elasticized cords (up to 20) keep a firm hold on your scores.

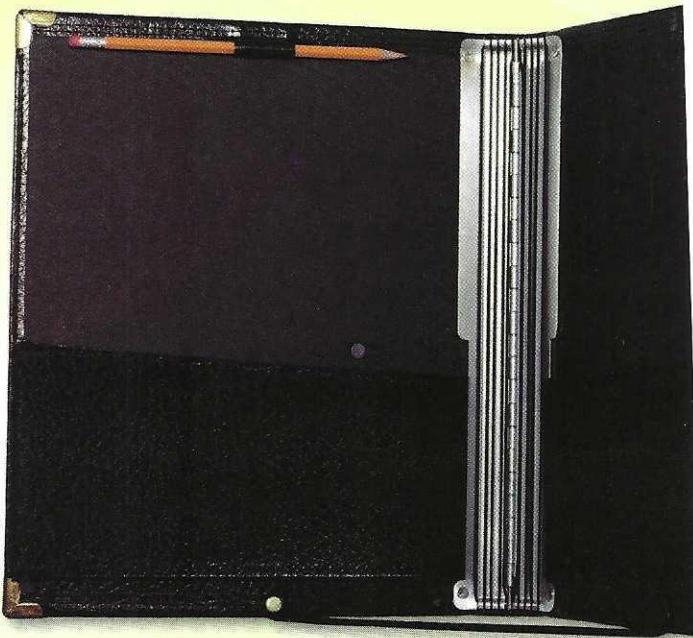

Or you can order removable rings and have it both ways.

To order (and see all our folder options) visit www.musicfolder.com or call us at the toll-free number above.

Dealer inquiries are welcome.

Secure hand strap allows easy one-handed support to improve singing comfort and confidence.

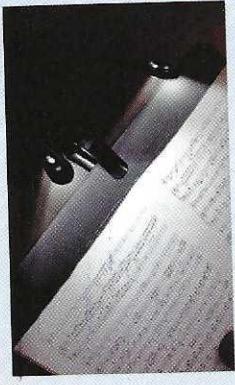

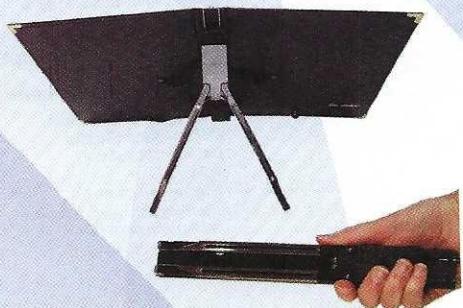

The Black Folder

The Jazz Stand sits rock-solid and telescopes to full height in seconds from feet frontwards or reversed – then cleverly folds flat (right) for easy carrying or storage. Shoulder bag available for both stand and music. Neat!

Smart Easel portable folder stand sets up on any table top for instant use, then folds into a compact stick.

XtraFlex single & Duet lights use ultra-efficient LED bulbs that last a lifetime and run many hours (up to 40 in the XtraFlex, 20 in the Duet) on ordinary AAA batteries.

UN AUTRE AJOUT À NOTRE LEGACY®.

... Il y a maintenant trois versions parmi lesquelles choisir.

Wenger est le pionnier de la conception des cloisons acoustiques. Notre dernière innovation transforme une cloison acoustique populaire en trois options - des solutions qui répondent à un budget précis.

Le modèle Legacy Classic a été redessiné pour faciliter et accélérer sa mise en place et son démontage par une personne. Le panneau de culbutage inférieur et sa large paroi offrent une meilleure acoustique que l'écran du plus proche compétiteur. Et il n'y a aucun pied excédant la paroi frontale pour éviter les trébuchements.

Le modèle Legacy Basic offre les mêmes qualités acoustiques dans une conception plus compacte et à un prix incroyable.

Le modèle Legacy Select est doté d'une nouvelle conception courbée offerte en plusieurs couleurs et finis luxueux pour une allure aussi époustouflante que sa sonorité.

La mobilité étant la meilleure caractéristique de la collection Legacy vous permet de transformer l'acoustique de presque tous les espaces en une performance d'aire. Et lorsque le concert est terminé, chaque modèle se démonte facilement et se range ensemble de manière compacte.

Que ce soit pour le montage dans un cafétorium ou une salle de récital, il existe maintenant une cloison Legacy possédant de grandes qualités acoustiques et esthétiques qui répondront à tous vos besoins de performance.

De base

Classique

Sélect

Quel modèle de Legacy vous convient le mieux? Votre représentant Wenger le sait. Notre personnel érudit est fier de notre industrie et est votre meilleure ressource pour répondre à toutes vos questions et préoccupations légitimes. Veuillez nous appeler et laissez-nous vous aider à choisir la cloison parfaite qui répond à vos besoins et à votre budget.

MusicFest will present a series of interactive mini/concert workshops.
