Objectives

These are the official rules and regulations for the National Festival of MusicFest Canada involving the Instrumental Jazz, Concert Band, Orchestra/Strings and Choral/Vocal Divisions. The Executive Committee has developed these rules and regulations under the authorization of the Board of Directors.

The Rules and Regulations are established to maintain the educational integrity and effective management of the Festival.

MusicFest Canada acknowledges the role that the sanctioned Affiliated Festivals play in the growth and development of music education in Canada and continues to seek ways of assisting these Affiliated Festivals.

THE OBJECTIVES OF MUSICFEST CANADA ARE:

- To provide an opportunity for students and educators from across Canada and elsewhere to meet, share and demonstrate their musical achievements and creativity.
- To evaluate and reflect on musical achievement and creativity in a constructive and educationally focused way.
- To encourage the study and performance of music written and arranged by Canadian composers.
- To complement and enhance the teaching, learning and growing process.
- To foster and promote a lifelong interest in music as a basic human experience.

Rules and Regulations

Please read the Rules and Regulations and all pertinent information. The Director must acknowledge being prepared to abide by all Rules and Regulations before being issued the “Official Invitation to Perform” at Musicfest Canada 2021 in Toronto.

FESTIVAL DIVISIONS

There are four Festival Divisions which operate concurrently within MusicFest Canada and are denoted as follows:

A – Instrumental Jazz (jazz combos, jazz ensembles, traditional jazz and world music)

B – Concert Band (bands, guitar ensembles, percussion ensembles and chamber ensembles)

C – Choral/Vocal (vocal jazz/contemporary ensembles, concert/chamber and combination choirs)

O – Orchestra/Strings

INTERNATIONAL ENSEMBLES

Ensembles residing outside of Canada with a valid “Official Invitation to Perform” may participate in all divisions, categories and classes of the Festival.

PARTICIPATION BY INVITATION

Participation at Musicfest Canada 2021 is by invitation under the following procedure:

An Affiliated Festival Director of MusicFest Canada will issue an “Official Invitation to Perform” to an Ensemble whose performance meets or exceeds the criteria and performance standards established by the Affiliated Festival Committee.

A Division Chairman may also issue an “Official Invitation to Perform” to any ensemble whose performance meets or exceeds the criteria established by the Chairman on behalf of the National Festival.

Registering for MusicFest Canada must be completed online at www.musicfest.ca. The Registration form is due **10 days** after the Affiliated Festival or March 31, 2021, whichever comes first. A **\$589.00** non-refundable deposit/minimum registration fee for each registration form for each ensemble must be mailed to the MusicFest Canada Registration Office, 311 Main St., Box 1990, Exeter, ON N0M 1S7 (**please include school name and Musicfest ID#**) within ten days. Ensembles will not be registered until the deposits are received. Ensembles submitting deposits and/or forms

past the deadline of April 1, 2021 may be rejected or their participation limited by the Festival.

Ensembles using the second year of their Invitation (issued in 2019 but extended by one year due to the cancellation of the Calgary 2020 festival) must complete their online registration and mail a \$589.00 deposit/minimum registration fee for each ensemble by **January 15, 2021**. Ensembles submitting deposits and/or forms past the deadline may be rejected or their participation limited by the Festival.

The MusicFest Office will in turn issue a “Confirmation of Performance” by May 1, 2021.

TWO-YEAR INVITATION

The “Official Invitation to Perform” awarded during the 2020/2021 Festival year will be valid for two MusicFest Canada Festivals, the present festival year (2021) and the following year (2022). Ensembles attending the 2022 Festival will be required to conform to the 2022 Rules and Regulations and submit 2022 Registration Forms. This may result in a change of Class (but not Category). 2022 Rules and Regulations and Registration Packages will be available on the MusicFest website at www.musicfest.ca in September of 2021.

Ensembles should perform in an Affiliated Festival prior to attending the National Finals.

MusicFest Canada reserves the right to verify that all ensembles registered to participate meet the required performance standards.

INVITATION BY SPECIAL AUDITION

Ensembles wishing to participate in MusicFest Canada 2021 and demonstrably unable to be evaluated at a sanctioned Affiliated Festival may apply for an Invitation by submitting an MP3 audio recording via the online registration system or by submitting a CD and application form to the respective Division Chairman. The decision of that Division Chairman will be final. Distance from an Affiliated Festival and results of consultation with Affiliated Festival officials where applicable will be considered in the decision process. Applicants must contact the Chairman by telephone or email prior to submitting any material.

4. Confirming travel and accommodations
5. Confirmation of number of participants and auditors
6. Financial Summary

A \$589.00 non-refundable deposit/minimum registration fee must follow each registration form. The minimum registration fee for each and every ensemble performing at MusicFest is \$589.00.00 (exclusive of any surcharges). Ensembles will not be scheduled until the initial deposit has been received.

Total Registration Fees are due on or before **April 15, 2021**. No ensemble will be allowed to participate until all registration fees have been paid. May 1 is the deadline for making any registration changes.

Live Festival: Each member of a participating Ensemble, including Directors, is required to pay a participation fee of \$79.00. Individual participants performing in two or more ensembles will pay an additional \$40.00 for each ensemble beyond the first one in which they are registered. Ensemble Directors and Chaperones only pay once.

School groups auditing the Festival (i.e., a group that has not qualified to be adjudicated at the Festival but who wish to attend and observe) must pay a one-time Auditor fee of \$40.00 per person. This fee enables the group to watch clinics and workshops, and attend educoncerts and evening concerts for the whole period of the Festival. A limited number of Auditor passes are available. In addition, individuals may register for the festival by purchasing single day passes at \$40.00 per day. Restrictions are similar to Auditor passes and a limited number of day passes are available.

Virtual & Recording Festivals: Registration fees are flat rates, and are determined by the size of the ensemble, as follows:

- 2-6 performers: the minimum fee of \$589.00 will apply
- 7-11 performers: \$789.00
- 12-25 performers: \$989.00

It is imperative to register prior to taking in any activities at the Festival. Virtual performances originate at the participating ensemble's location, using the participating ensemble's internet. MusicFest will provide technical advice on recommended equipment. MusicFest will provide technical expertise in advance of the performance. MusicFest is not responsible for any lack of video and/or audio quality of performances of participating ensembles.

All directors entering ensembles in either the Virtual or Recording Festivals must upload scores of all performance pieces through their online registration by April 30, 2021.

STANDARD OF PERFORMANCE

Gold, Silver, Bronze and Merit Standards of Performance are awarded by MusicFest Canada.

A Gold Standard signifies that an Ensemble has achieved excellence in all facets of its performance.

A Silver Standard signifies that an Ensemble is demonstrating an exceedingly high standard of musical performance.

A Bronze Standard signifies an above average quality of performance with latitude for improvement. The above three standards are recognized with a plaque.

A Merit Standard acknowledges an average quality of performance and is not recognized by a plaque.

Ensembles who have qualified to attend the Festival may elect to perform for "Adjudication Only" with no standard awarded or considered.

The number of individual Gold, Silver, Bronze and Merit Standards of Performance presented in a given class will be at the discretion of the Festival officials.

In the Live Festival, Gold, Silver and Bronze plaques and written comments will be available directly following the Ensemble's clinic, providing the adjudicators have completed their deliberations and the results have been released. Unclaimed awards will be mailed after the completion of the festival at MusicFest's convenience. In the

Virtual and Recording Festivals, the Standard of Performance plaque will be mailed to the school. Adjudicator comments will be sent to the director.

ANNOUNCEMENT OF STANDARDS OF PERFORMANCE

Standards of Performance will be provided to each Ensemble following their clinic and posted to the MusicFest Canada website generally within one hour of an Ensemble's adjudicated performance. All results are available to the general public on the Internet and through social media.

AWARDS

The Festival may award recognition to Ensembles and/or individuals following the completion of the Festival Program. The Board of Directors reserves the right to determine the nature of the recognition, the criteria for awarding recognition and the number of groups or individuals to be recognized.

RULES ENFORCEMENT

The Chairman or Vice Chairman for each performance area will enforce all Festival Rules and Regulations. Infractions will be reported to the Division Chairman in writing. Please note that the maximum stage time for any performing ensemble is 30 minutes.

The Division Chairman's decisions in consultation with the staff and the Executive Director will be considered final in all disputed cases.

CONDUCT (Live Festival)

The conduct of a participating Ensemble and its individual members is the responsibility of the individual Director. All Musicfest participants are expected to abide by the "Musicfest Code of Conduct". Many ensembles will find accommodations in hotels and will be expected to demonstrate proper behaviour as if they are actually on the Festival site. Problems and violations brought to the attention of the respective Division Chairman will be dealt with appropriately and may result in "Suspension" or "Dismissal". (See **Suspension, Dismissal and Appeal** section, below).

An Ensemble or its individual members interfering in any manner with another group's performance by means such as practicing, making noise or being disruptive are subject to "Dismissal". (See **Suspension, Dismissal and Appeal** section, below)

SUSPENSION, DISMISSAL AND APPEAL

MusicFest Canada reserves the right to enact either of the following two sanctions for violations of the Rules and Regulations and/or code of behaviour:

SUSPENSION – An Ensemble which has been suspended shall be deemed ineligible to receive any Festival Standards of Performance or awards. The individual members will

be ineligible for scholarships, bursaries, cash awards and “Honour Recognition” awards. Suspension shall result from such infractions as flagrant time violations, age or affiliation infractions, illegal substitution and tampering with sound and stage equipment or submission of recordings which are not what they purport to be.

DISMISSAL – An Ensemble which has been dismissed will lose all rights and privileges of participation in MusicFest Canada and will forfeit all registration fees. Dismissal will result either from conduct which is perceived to be detrimental to the aims of MusicFest Canada or substantial interference with another Ensemble’s performance.

APPEAL – Appeal must be made in writing to the respective Division Chairman who, in consultation with members of the Executive Committee and the Board of Directors, will review the sanction and in turn notify the Ensemble Director of the decision. All decisions will be final.

SAFETY & ASSISTANCE

MusicFest Canada endeavours to maintain a safe environment for all participants and audience members at all times during the Festival. **All clauses in the 2021 Rules and Regulations are subject to revision, based on the overarching priority of the health and safety procedures implemented at the time of the Festival.** While participants are naturally governed by the safety policies of their own school board or district, MusicFest also requires the following practices:

While “backstage” or in areas not normally accessible to the public, all participants are to be accompanied by their respective teachers, directors, or chaperones.

Participants with disabilities are asked to contact the National Office prior to the Festival so appropriate personal support may be provided by the staff for the adjudicated performance and related activities.

HONOUR RECOGNITION

All participating Ensemble Directors are encouraged to nominate one Honour Candidate from each Ensemble participating at MusicFest Canada. In the case of larger ensembles such as choirs, concert bands and orchestras, the adjudicators may not consider any individuals without a nomination from the Director.

Each student awarded “Honour Recognition” will receive an honour plaque and their name will be posted on the MusicFest Canada website and distributed to national and local media. In the Live Festival, the plaque will be presented either immediately following the Ensemble’s performance or during the clinic. In the Virtual and Recording Festivals, the honour plaque will be mailed to the school with the Standard of Performance plaque.

The media may record comments, videotape and photograph for various programs, documentaries and features. This includes live streaming, videographers and photographers employed by MusicFest Canada directly to archive

and capture the festival in its entirety. Registering for the Festival constitutes the Ensembles' agreement and royalty-free permission to MusicFest to make such recordings and to permit such media coverage unless the Festival is notified in advance in writing. These include rhythmic concepts in particular from Brazil, Portugal, Cuba, Spain, and Puerto Rico. The ensembles will perform using non-Western scales, modes and/or musical inflections, and may incorporate distinctive traditional ethnic instruments, such as the kora (West African harp), the steel drum, the sitar or the didgeridoo.

PRESENTATION AND PERFORMANCE

(i) It is recommended that Jazz Ensembles in Classes A101 to A302 inclusive conform to “standard instrumentation” (up to twelve brass, up to six saxophones, up to six rhythm).

(ii) Deviation from the “standard instrumentation” will be judged on its musical merit. Use of woodwind doubling in the sax section is encouraged.

No fewer than nine or more than twenty-four performers in Jazz Ensemble Classes A101 to A302 inclusive are permitted on the stage during any single selection. Ensembles exempt from this rule (e.g. A401 through A701) are reminded that the stage size and configuration may not permit adequate room for further performers.

All jazz ensembles **MUST** present a program of **NO MORE THAN** three contrasting selections **including a ballad** (World Music ensembles are exempt from this rule). There should be opportunities for improvisation. Jazz repertoire is compulsory; i.e. Swing, Jazz Blues, Ballads, Jazz Rock, Latin Jazz, Samba, etc. Pop material is inappropriate. **It is strongly recommended that one selection be composed and/or arranged by a Canadian. The work can be published or commissioned. MusicFest Canada provides the Instrumental Jazz Syllabus (see www.musicfest.ca/syllabus_jazz_e.asp) as a resource to directors of published and graded Canadian jazz ensemble literature.** The ensemble must consider timing rules (see g. below) when programming repertoire.

Performance time is limited to a maximum of 30 MINUTES which will include: warm up, set up, introduction of the ensemble, performance, commentary from the Adjudicator(s), Honour presentation and exit from the stage. This time block will be strictly enforced. Any Ensemble exceeding this time restriction may be suspended and their performance cut short.

In the combo classes, there may not be fewer than two or more than eight performers (including vocalists) on stage during the performance of a selection.

Traditional Jazz Combos will perform jazz in the style of the early 1900s. The suggested instrumentation is tuba/string bass, cornet/trumpet, trombone, clarinet, saxophone and rhythm. No electronic audio support will be provided.

In the combo classes it is highly recommended that each member improvise.

Directors are encouraged to make their players aware of opportunities to audition for awards and scholarships.

Live Festival: Each performing Ensemble will receive a clinic of approximately 30 MINUTES with a Festival adjudicator/clinician focusing on items of concern.

Warm up rooms will be available for a maximum of 20 MINUTES prior to the performance. Each Ensemble must report to the warm up check in area 1 HOUR prior to performance time to allow sufficient time to put cases and equipment in the assigned storage area.

Two printed scores and/or lead sheets with numbered measures must be presented at the check in desk prior to performance and picked up by the director following the performance or clinic. MusicFest is not responsible for materials not picked up prior to the ensemble leaving the performance/clinic area.

It is strongly recommended that all Ensembles provide an advisor to the sound technician at the time of performance. It is also recommended that the solo sheets and stage plots provided are as concise, clear and current as is possible. The basic Jazz Ensemble set up will be ACOUSTIC. Two solo microphones will be in the trumpet section; two in the trombone section; two in the sax section; two in front of the band. The piano will have one microphone. General balance of the ensemble is to be carried out acoustically; solo microphones (including the piano microphone) will be active only for solos at the cue or request of the ensemble's sound advisor. Musicfest staff will not electronically balance or otherwise alter the sound of the ensemble without direct instruction from the ensemble.

Virtual & Recording Festivals: Each performing Ensemble will receive a clinic of approximately 60 MINUTES with a Festival adjudicator/clinician focusing on items of concern.

EVALUATION

All ensembles will be evaluated to a "National Standard of Performance" unless they have elected "Adjudication Only" prior to their performance.

Musical integrity will be the basis of evaluation. Adjudicators will include consideration of stylistic interpretation, intonation, dynamics, attacks, releases, articulations, balance, time, feel, improvisation, instrumentation and the variety, quality and appropriateness of repertoire selections.

Adjudicators' comments will reflect the total assessment of the performance selections. All Adjudicators' comments will be intended as a guide for the continued development of the Ensemble.

Recorded adjudications will be available immediately following each performance, subject to the completion of adjudicator deliberations.

PRESENTATION AND PERFORMANCE

CHAMBER, PERCUSSION AND GUITAR ENSEMBLES

Ensembles are requested to perform two selections of contrasting style – own choice.

Performance is limited to 15 minutes of music and 20 minutes total stage time including set up, performance and tear down. Groups exceeding the time restrictions may be suspended and their performance cut short.

“Pop” literature is inappropriate.

Directors are encouraged to make their players aware of opportunities to audition for awards and scholarships.

Live Festival: Each Chamber, Percussion & Guitar Ensemble will receive a 30-minute clinic with a Festival Clinician focusing on observations made during the on stage performance.

Each ensemble must provide the adjudicators with two conductor’s scores for each selection performed. Scores are to be given to the check in desk by the director prior to the performance and picked up by the director following the performance and clinic. MusicFest is not responsible for materials not picked up prior to the ensemble leaving the performance/clinic area. **UNLESS ACCOMPANIED BY PERMISSION FROM THE COPYRIGHT HOLDER, PHOTOCOPIED SCORES WILL NOT BE ACCEPTED BY THE FESTIVAL STAFF.**

Warm up rooms will be available for a maximum of 20 MINUTES prior to the performance. Each Ensemble must report to the warm up check in area 45 MINUTES prior to performance time to allow sufficient time to put cases and equipment in the assigned storage area.

Virtual & Recording Festivals: Each Chamber, Percussion & Guitar Ensemble will receive a 60-minute clinic with a Festival Clinician focusing on observations made during the on stage performance.

CONCERT BAND

Ensembles are required to perform three selections at their class level as follows:

MANDATORY: ONE SELECTION FROM THE FESTIVAL SYLLABUS. (WHICH MAY ALSO BE THE REQUIRED CANADIAN PIECE)

Two selections in contrasting style (may be individual movements from a single work) – director’s choice. One of the pieces **MUST** be Canadian from the Syllabus

NOTE: It is strongly recommended that one of the three pieces be lyrical in nature.

One selection performed must be either composed and/or arranged by a Canadian Composer. If selected from the Syllabus it may be used as the mandatory syllabus test piece. Or it can be one of the “Director’s Choice” selections in addition to the Syllabus selection. .

“Pop” material is inappropriate.

Stage and Performance Time:

Warm up rooms will be available for a maximum of 30 MINUTES prior to performance. The Ensemble will be expected to leave the warm up room up to 10 minutes prior to their scheduled performance time in order to arrive at the stage on time, leaving approximately 20 minutes for warm up. All Ensembles must report to the warm up check in area 1 HOUR prior to the performance time to allow sufficient time to put cases and equipment in the assigned storage area.

Performance is limited to a maximum of 30 MINUTES which will include: set up, introduction of the Ensemble, Chorale performance and exit from the stage. An Ensemble exceeding this time restriction will be suspended and their performance cut short. Ensembles performing senior level music are advised to program carefully with these restrictions in mind.

Live Festival: Each Concert Band will receive a 30-minute clinic with a Festival Clinician focusing on observations made during the on stage performance.

To ensure that each adjudicator/clinician will be able to provide a detailed and informed adjudication, Ensemble Directors SHOULD MAKE A REASONABLE EFFORT TO provide the adjudicators with four CONDUCTOR'S SCORES of each NON SYLLABUS selection that is to be played. To better access a quality experience for you and your band, scores are required. An adjudication given without the availability of scores is often ineffective. To allow the adjudicators to refer to specific places in the score, the bars within the scores submitted should be numbered. Scores are to be given to the check in desk by the director prior to the performance and picked up by the director following the performance and clinic. MusicFest is not responsible for materials not picked up prior to the ensemble leaving the performance/clinic area. **UNLESS ACCOMPANIED BY PERMISSION FROM THE COPYRIGHT HOLDER, PHOTOCOPIED SCORES WILL NOT BE ACCEPTED BY THE FESTIVAL STAFF.**

Virtual & Recording Festivals: Each Concert Band will receive a 60-minute clinic with a Festival Clinician focusing on observations made during the performance.

ADJUDICATION

Ensembles will be evaluated to a "National Standard of Performance" unless they have requested "Adjudication Only" prior to their performance.

Musical integrity will be the basis of evaluation. Adjudicators' comments will include consideration of stylistic interpretation, intonation, dynamics, attacks, releases, articulations, blend, balance, repertoire and instrumentation.

Adjudicator's comments will reflect a total assessment of the performance selections. Adjudicators' comments will be intended as a guide for the continued development of the Ensemble.
