THE PRESIDENT'S MESSAGE

TORONTO IN '94

MusicFest Canada 1994 is the Festival that you have been waiting for. We are back on the home ground of our two major sponsors, **GENERAL MOTORS OF CANADA** and **YAMAHA CANADA MUSIC LIMITED**. We are expecting the combination of MusicFest and Toronto to attract over 300 of Canada's finest ensembles and upwards to 8,000 **PARTICIPANTS**.

Allen S. Michalek

MusicFest Canada's success over the past 22 years can be attributed to the fabulous leadership by the individuals who give of their time and talents. I would like to personally welcome our newest regional coordinators; Dan Hudson in Nanaimo; Elaine Crawford in Prince George; Steve Sherman in Red Deer; David Nichols in Sarnia; Steve Peckham in Hanover; Debbie Woodford in St. John; Cy Campbell in Port Hawkesbury; Paul Barret in Truro; Kathy Watt in Fredericton and Ron Murphy in Bedford. The excellent work done by our regionals continues to show quality and growth from coast to coast.

As well as a major talent within the regional coordinators, MusicFest also engages the best staff, educators, clinicians and concert artists. This year, **MAESTRO BRAMWELL TOVEY**, Principal Conductor and Artistic Director of the Winnipeg Symphony Orchestra will be the special guest educator as part of the Canadian Concert Band Festival. Mr. Tovey has a unique expertise in both Orchestra and Band. In addition, Mr. Tovey will be directing the **CANADIAN NATIONAL YOUTH BAND** in a headline concert with guest Montreal trombonist **ALAIN TRUDEL**.

FRANK MANTOOTH, back by popular demand from Chicago will be the guest Professional Development clinician for the Stage Band Festival and will be directing his **CANADIAN JAZZ ORCHESTRA** in concert on Saturday evening. Frank will be presenting clinics on jazz piano, comping, rehearsal techniques and the art of arranging.

As those who attended the last two festivals know, Ray MacLeod, MusicFest's Media Director is working with all of the TV Networks in Toronto to provide coverage for our participating ensembles. Ray expects **CBC, MTV, MUCH MUSIC** and **CTV** all to be heavily involved and has made arrangements for a television team from Ottawa to **TAPE EVERY ENSEMBLE FOR LATER BROADCAST**.

There is fantastic support from individuals throughout Yamaha Canada. This year, they plan to set up their **MUSIC IN EDUCATION** system and their director, Dave Morton will be present to discuss this breakthrough in technology as part of over **75 HOURS OF PROFESSIONAL DEVELOPMENT**.

And for some spare time activities, our new travel organizers, **ELLISON TOURS** (Toronto) and **AFFINITY TOURS** (Vancouver) have teamed up with **CANADIAN AIRLINES** and have negotiated reduced price tickets for participants at **MISS SAGON** and the **BLUE JAYS** game.

The Toronto Festival in 1994 will be much more than a fabulous music event. Toronto will be a destination with non stop activity, both on and off the festival site. See you there, May 11-15, 1994.

2 YEAR INVITATIONS

In the early years when the Canadian Stage Band Festival was perceived as a competition for Stage Bands and Vocal Jazz Ensembles, these performing ensembles were small enough to be able to accomplish the fund raising in a relatively short period of time. As the Festival evolved into a less competitive, more and more educationally focused 5 day program, we have moved from an elitist position and become increasingly grass roots oriented. This has resulted in the addition of the concert bands and concert choirs, which are the nucleus of the grass roots music programs. These ensembles with up to 175 participants and chaperones cannot plan major trips and travel half way across the country on a month's, or even 6 month's notice. Most school boards now require notification a year in advance for major trips.

In order to help the ensembles make plans early, all invitations will be valid for 2 years instead of just 1. All ensembles invited to Toronto in 1994 will also be able to use the same invitation to attend Calgary in 1995. The purpose of this new policy is decidedly **NOT** to encourage or allow ensembles to skip attending their regional festivals. It would be detrimental to the students to come to the Nationals without having attended and received a current evaluation at a regional festival.

For more information, please read the 1994 Rules and Regulations.

HUMBER COLLEGE

Brian Lillos, Chairman of Humber College, Department of Music, announced that they will be sponsoring adjudicators, clinicians, concert artists and the participant's party.

Humber will be also awarding two full tuition scholarships at MusicFest '94.

LARRY PEAREN APPOINTED NATIONAL YOUTH BAND PROJECT MANAGER

The Canadian Band Association recently announced that the 1994 National Youth Band of Canada will be held in conjunction with MusicFest Canada in Toronto. The National Youth Band is the most comprehensive music education project being offered to the youth of Canada.

This music education project is being offered to hard working Musicians to exchange personal and musical ideas. Fifty young students between 16-19 years of age will be selected by auditions to perform at the MusicFest Canada National Finals in Toronto and various other sites.

The students selected for this year's wind ensemble will be eligible for the \$100,000.00 in scholarships being offered by the sponsors of MusicFest Canada. In addition, each National Youth Band member will be entitled to attend the many clinics, workshops and evening concerts with other performers from across Canada.

This is an excellent musical opportunity for young musicians to experience being only the third time a National Youth Band has been celebrated. The previous two were 1978 in Toronto and 1991 in Vancouver. MusicFest is proud to host this year's Wind Ensemble and is looking forward to a stronger relationship between MusicFest and the CBA.

For more information on the audition procedures and participants costs, please contact Larry Pearen by phone/fax at (306) 782-4182 or by phone at his office at (306) 786-5549.
