Message from the President of Yamaha Canada Music Ltd. Message du Président de Yamaha Canada Musique Ltée

I would like to welcome Canada's best young musicians to the beautiful city of Ottawa, Ontario for MusicFest 2010. I hope you have fun during your visit to Canada's Capital region, while representing your school and playing your best in front of many other students just like you who enjoy music. This is my first MusicFest and I look forward to hearing your performances, and the outcomes of the workshops you attend. You are participating in a very unique event that does not exist outside Canada, so take pride in this opportunity. ■ Yamaha decided from the beginning, to support the vision of MusicFest and to work together to strengthen music education in every part of the country. At Yamaha Canada we have adopted the slogan "I am Music" to underscore our commitment to each and every music maker, allowing each one to express themselves in their own unique way. This is the beauty of music. Together with MusicFest, our mutual commitment to music in your schools, and to the development of young musicians, is a bond which we will continue to share for many years into the future. ■ Thanks to all for dedicating your time and energy towards music. Through music, you have the opportunity to change the world where you live. Also, special thanks to your parents, families, music teachers, school boards, volunteers and friends, who have made a commitment in allowing you this opportunity. Remember ... Music is Fun!

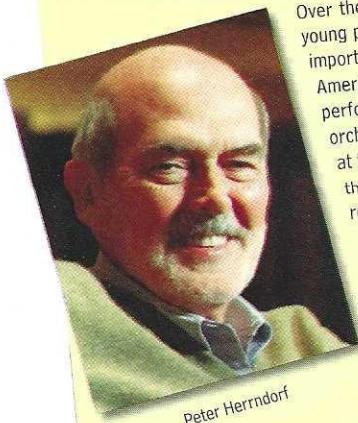

Ken Hiraoka

J'aimerais profiter de l'occasion pour souhaiter la bienvenue aux meilleurs jeunes musiciens canadiens au MusicFest 2010 à Ottawa en Ontario. J'espère que vous aurez du plaisir pendant votre visite dans la région de la capitale alors que vous représenterez votre école en jouant devant nombre d'autres étudiants, qui tout comme vous adorent la musique. Ce festival est le premier du genre pour moi et j'ai bien hâte d'entendre vos interprétations et de voir les résultats des ateliers de travail auxquels vous assistez. Vous participez à un événement unique qui n'a lieu qu'au Canada, alors soyez fier d'en faire partie. ■ Depuis le début, Yamaha a décidé d'appuyer la vision du MusicFest et de collaborer à l'avancement de l'éducation de la musique partout au Canada. Chez Yamaha Canada, nous avons adopté le slogan « Je suis la musique » pour souligner notre engagement envers tous les artistes et permettre à chacun d'exprimer son talent à sa façon. Voilà toute la beauté de la musique. Avec MusicFest, notre volonté mutuelle envers la musique dans vos écoles et le développement des jeunes musiciens constitue un lien que nous continuerons de partager longtemps dans l'avenir. ■ Merci à tous de consacrer votre temps et votre énergie à la musique. À l'aide de la musique, vous avez l'opportunité de changer le monde là où vous vivez. Un merci tout spécial aux parents, familles, professeurs de musique, commissions scolaires, bénévoles et amis qui se sont dévoués pour vous donner cette occasion. Et souvenez-vous ... Message from the President and CEO of the National Arts Centre Message du Président et chef de la direction du Centre national des Arts

Peter Herrndorf

Over the past several years, Canada's National Arts Centre (NAC) has increasingly become an artistic gathering place for young people to perform, to create and to learn. Supporting young people in the performing arts is one of the NAC's most important priorities, and we are delighted to once again host the thousands of participants of MusicFest Canada, North America's largest music festival. ■ MusicFest Canada gives young musicians across the country the opportunity to perform for expert adjudicators, attend workshops and make new friends. It is a chance for young people in school bands, orchestras, choirs and jazz ensembles to gather together for a unique learning experience. It is also an exciting time for us at the NAC, as it's always wonderful to see our halls filled with the music, energy and talent of young artists from across the country. ■ On behalf of all of us at the NAC, I hope your experience at the NAC over the next six days is rich and rewarding ... but most of all, fun!

Depuis plusieurs années déjà, le Centre national des Arts du Canada (CNA) se révèle de plus en plus un carrefour de l'interprétation, de la création et de l'apprentissage pour les jeunes artistes. Soutenir les jeunes dans le domaine des arts de la scène est, de fait, l'une des grandes priorités du CNA. C'est pourquoi nous sommes ravis d'accueillir une fois de plus les milliers de participants à MusicFestCanada, le plus grand festival de musique en Amérique du Nord. ■ MusicFest Canada donne aux jeunes musiciens de tout le pays la chance de se produire devant des jurys composés d'experts, d'assister à des ateliers et de nouer de nouvelles amitiés. C'est aussi un lieu d'apprentissage sans pareil pour les élèves, qu'ils évoluent au sein d'harmonies, d'orchestres ou de chorales scolaires, ou encore d'ensembles de jazz. Et pour nous, du CNA, c'est une semaine palpitante marquée par un foisonnement de musique, d'énergie et de talent qui nous émerveille toujours, année après année. ■ Au nom de l'équipe du CNA, je souhaite à tous et toutes six journées des plus enrichissantes ... et par-dessus tout, amusantes à souhait!
