WELCOME / BIENVENUE

MESSAGE FROM THE PRIME MINISTER OF CANADA MESSAGE DU PREMIER MINISTRE DU CANADA

I am delighted to extend my warmest greetings to everyone taking part in the 43rd edition of MusicFest Canada's "The Nationals," in Toronto.

This festival, which debuted in 1972, is the largest event of its kind in North America. It provides a forum where both young musicians and educators can come together to share their love of music, perform before appreciative audiences, and inspire and learn from one another.

I congratulate the young musicians who have been selected to take part in this year's festival. I am certain that they will find this experience most rewarding and that music will continue to provide personal fulfillment as they journey through life.

Please accept my best wishes for a most memorable and enjoyable week.

Je suis heureux de présenter mes salutations les plus chaleureuses à tous ceux et celles qui participent aux finales nationales de la 43^e édition de MusicFest Canada, à Toronto.

Ce festival, qui a débuté en 1972, est le plus important événement de la sorte en Amérique du Nord. Il fournit un cadre où de jeunes musiciens et des enseignants peuvent se réunir pour partager leur amour de la musique, se produire en concert devant un public admiratif, s'inspirer mutuellement et apprendre les uns des autres.

Je félicite les jeunes musiciens qui ont été sélectionnés pour prendre part au festival cette année. Je suis convaincu que vous trouverez cette expérience fort enrichissante et que la musique continuera d'être une source d'épanouissement personnel tout au long de votre vie.

Je vous souhaite une semaine des plus agréables et mémorables.

Stephen Harper, Prime Minister of Canada / Premier Ministre du Canada

MESSAGE FROM THE PREMIER OF ONTARIO MESSAGE DE LA PREMIÈRE MINISTRE DE L'ONTARIO

On behalf of the Government of Ontario, I am delighted to extend warm greetings to everyone attending the 43rd Anniversary Festival of MusicFest Canada.

Music is an important part of our country's cultural landscape. Canadians love music and they recognize and embrace talent in all genres. Toronto, Montreal, Vancouver, Calgary and Canada's other major cities have been — and continue to be — magnets for fans of popular music because of their world-class performers.

To all the young musicians who have come here to demonstrate and share your musical achievements and creativity: congratulations! Know that your skills and talents are helping make Canada a cultural hub in the great global community. I am confident that the discipline, creativity and skills you learn here will serve you well in all your endeavours.

I want to commend the board, staff and volunteers of MusicFest Canada for bringing together talented young musicians to celebrate excellence in original Canadian music.

Have a memorable and inspiring festival!

Au nom du gouvernement de l'Ontario, je suis heureuse d'offrir mes plus chaleureuses salutations aux participants et aux participantes du 43e anniversaire de MusicFest Canada.

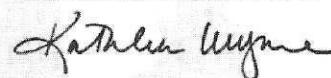

La musique est une composante importante du paysage culturel de notre pays. Les Canadiens et Canadiennes adorent la musique et ils savent reconnaître et apprécier le talent, et ce, dans tous les genres musicaux. Les villes de Toronto, Montréal, Vancouver, Calgary de même que les autres grandes villes du Canada sont des pôles d'attraction pour les adeptes de la musique populaire en raison des artistes de calibre international qui s'y trouvent.

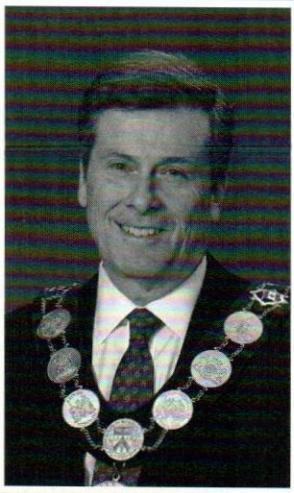

Toutes mes félicitations aux jeunes musiciens et musiciennes qui sont venus ici pour mettre à profit leur créativité et partager leurs réalisations musicales avec nous! Leurs talents contribuent à faire du Canada un carrefour culturel mondial. Je suis persuadée que la discipline, la créativité et les habiletés qu'ils vont perfectionner grâce à leur participation à cet événement leur seront utiles dans tout ce qu'ils entreprendront.

Je tiens à féliciter les membres du conseil, le personnel et les bénévoles de MusicFest Canada d'avoir ainsi réuni de jeunes musiciens talentueux pour célébrer l'excellence de la musique originale canadienne.

Je vous souhaite un festival mémorable et inspirant!

Kathleen Wynne, Premier of Ontario / La Première ministre de l'Ontario

MESSAGE FROM THE MAYOR OF TORONTO MESSAGE DU MAIRE DE TORONTO

It is my esteemed pleasure to extend greetings and a warm welcome to everyone attending The Nationals hosted by MusicFest Canada.

Music is a powerful tool of expression that bridges cultural, ethnic and social differences and brings people together. Since its establishment in 1972, MusicFest Canada has provided students with a high level of music education to allow them to reach musical excellence.

Entering its 43rd celebration year, MusicFest Canada's The Nationals will bring the finest young Canadian musicians from across Canada to Toronto to celebrate excellence in musical performance. Over 10,000 participants in 300 performing ensembles will showcase their talent and knowledge.

I wish to welcome everyone to our city and encourage you to enjoy Toronto at this time of year as well as learning about our vibrant neighbourhoods.

On behalf of Toronto City Council, please accept my best wishes for an enjoyable and memorable event.

Je suis très heureux d'offrir la plus chaleureuse des bienvenues à tous les participants aux Nationales annuelles organisées par Musicfest Canada.

La musique est un outil d'expression puissant qui rallie toutes les différences culturelles, ethniques et sociales, et qui rassemble jeunes et moins jeunes.

MESSAGE FROM THE PRESIDENT OF MUSICFEST CANADA MESSAGE DU PRÉSIDENT DE MUSICFEST CANADA

On behalf of the Board of Directors and our partners at the National Arts Centre I welcome you to the 43rd Annual MusicFest Canada, "The Nationals". We are once again being hosted on the beautiful campus of the University of Toronto by Dr. Paul Gooch, President of Victoria University and Dr. Don McLean, Dean of the Faculty of Music.

You may be here with your school ensemble or one of our four (and soon to be five) honour ensembles. Regardless, it is your commitment to the craft of music that brings you together with 10,000 others from throughout Canada.

We gratefully welcome Thomastik-Infeld Vienna as the name sponsor of the Canadian String Ensemble and watch for the GoPro cameras from our newest sponsor. Also, please say hello again to our friends at Pearl/Adams who are filling the stages with their amazing percussion equipment; Yamaha who are providing pianos, keyboards and basses plus support from Roland amplifiers, Dream Cymbals and Woodshed Percussion. MusicFest would not be impossible without the support of so many other organizations and companies like Ellison Travel and Tours, Conn-Selmer, Humber College, Denis Wick, and from the Broadcasting industry Slaight Music, Corus, Newcap and SiriusXM... and the list goes on.

We look forward to a great week of fun, music and education. Enjoy!

Au nom du Conseil d'administration et de nos partenaires du Centre national des Arts, je vous souhaite la bienvenue au 43e MusicFest Canada annuel, « Les Nationales ». Nous sommes de nouveau accueillis sur le magnifique campus de l'Université de Toronto par le Dr Paul Gooch, Président de l'Université Victoria et du Dr Don McLean, Doyen de la Faculté de musique.

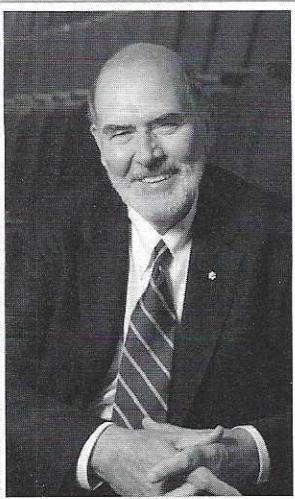

Peu importe que vous soyez ici avec l'ensemble de votre école ou avec l'un de nos quatre (bientôt cinq) ensembles d'élite, c'est votre engagement envers l'art de la musique qui vous rassemble vous et 10 000 autres de partout à travers le Canada.

C'est avec gratitude que nous accueillons Thomastik-Infeld Vienna à titre de commanditaire de l'ensemble à cordes Canadian String Ensemble et ne manquez surtout pas les caméras GoPro de notre nouveau commanditaire.

Aussi, nous saluons nos amis de Pearl/Adams dont les équipements de percussion se retrouvent sur nos scènes, Yamaha qui fournit pianos, claviers et contrebasses ainsi que le soutien apporté par Roland avec leurs amplis, cymbales Dream et instruments à percussion Woodshed. MusicFest ne serait pas possible sans l'appui des nombreuses autres organisations et entreprises telles que Ellison Travel and Tours, Conn-Selmer, Humber College, Denis Wick, et l'industrie de la radiodiffusion Slaight Music, Corus, Newcap et SiriusXM... et la liste continue.

Nous nous réjouissons à l'avance de la semaine qui vient où plaisir et apprentissage de la musique seront au rendez-vous. Profitez-en!

Mark Wicken, President / le président MusicFest Canada

MESSAGE FROM THE PRESIDENT AND CEO OF THE NATIONAL ARTS CENTRE MESSAGE DU PRÉSIDENT ET CHEF DE LA DIRECTION DU CENTRE NATIONAL DES ARTS

The National Arts Centre is proud to once again be a presenting partner of the 43rd annual MusicFest Canada Nationals in Toronto, ON.

MusicFest Canada has had a long and successful history of bringing together many of our country's finest young musicians to share their love of music with their peers.

As a national organization that strives to be a catalyst for creation and excellence in the performing arts, the NAC is honoured to support this festival.

MusicFest Canada provides an exceptional opportunity for young Canadian musicians to showcase their talents and hard work in a non-competitive format, and to learn from renowned adjudicators and clinicians from across North America.

On behalf of the National Arts Centre, I wish you all a memorable festival. Enjoy every minute of this unique opportunity for discovery and growth.

Le Centre national des Arts est fier d'être une fois de plus le partenaire présentateur de la 43e édition des finales nationales de MusicFest Canada, qui se tiennent cette année à Toronto en Ontario.

MusicFest Canada s'enorgueillit d'une longue et fructueuse tradition qui consiste à rassembler une foule de jeunes musiciens parmi les plus talentueux au pays, unis pour célébrer leur passion pour la musique. Soutenir ce festival est un honneur pour le Centre national des Arts, organisation nationale qui se veut un catalyseur de la création et de l'excellence dans le domaine des arts de la scène.

Au nom du Centre national des Arts, je souhaite à tous et toutes un festival mémorable. Que chaque minute de cet événement unique soit pour vous source de découverte et d'apprentissage.

Peter Herrndorf,

President and CEO of the National Arts Centre / Président et chef de la direction du Centre national des Arts

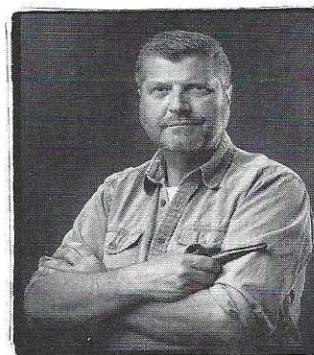

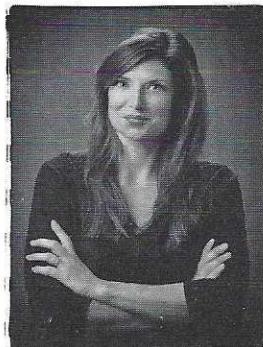

YOU ARE SPECIAL. You may not think so, but you are. You may not want to be, but you are. Some of those I ask to photograph say, "Thank you, but I'm no one special". You are. You influence everyone you know or meet, sometimes in ways you never imagined. You may make a casual but sincere acknowledgement, or set an example that will influence someone for a lifetime.

In many ways the Just You images contain the small stuff that's you – your smile or an expression that's only you – what you're wearing or holding, your favourite book, your new scarf, a toy from your childhood or an heirloom necklace. All these little things are the things that matter. For a little while in front of the camera, you'll stand in a place that is truly, just you.

As you can see by the examples on my website, this is not a fashion or glamour shoot. No fancy clothes or make-up. No distracting colours.

Your image will be a precious gift for your parents, grandparents, brothers and sisters or that special someone. They know the real you and they'll appreciate this casual, low-key approach in classic B&W.

CELEBRATE YOU. YOU DESERVE IT.

Nuf Sed is one of three ensembles offered by Edmonton's TIME Association (Today's Innovative Music Edmonton). Nuf Sed is directed by Scott Leithhead and has been in existence for nearly 20 years. The ensemble enjoys the challenges of singing many styles of music from jazz to contemporary a cappella repertoire.

Nuf Sed, l'un des trois ensembles offerts par l'Association Edmonton's TIME (Today's Innovative Music Edmonton), et dirigé par Scott Leithhead, existe depuis près de 20 ans. Cet ensemble relève avec brio le défi de passer sans effort d'un style musical à l'autre, du jazz au contemporain a cappella.

DES DÉFIS D'ACOUSTIQUE À RELEVER?

Si vous devez concevoir des espaces acoustiques vibrants, Wenger a les solutions parfaites pour vous aider à réussir.

Il n'y a pas qu'un seul moyen pour parvenir à réaliser de belles acoustiques, mais il n'y a qu'une seule ressource possédant les solutions pour vous aider à relever vos défis d'acoustique...**Wenger!**

Depuis que Wenger a introduit ses premiers modules d'isolation acoustique de salles au début de 1970, nous avons poursuivi notre recherche et perfectionné une gamme de produits de renommée mondiale afin de vous offrir un meilleur contrôle des différentes exigences acoustiques de salles.

Une bonne acoustique possède les qualités pour stimuler les artistes ainsi que l'audience et définir l'espace de performance. Wenger peut vous aider à donner vie à votre salle. Communiquez avec nous pour discuter de la manière dont nous pouvons améliorer votre expertise et vous aider à réaliser votre vision.

Les modules à isolation acoustique SoundLok^{MC} pour salles offrent les caractéristiques les plus élevées de l'industrie - Salle à salle NIC 63. Ce module s'adapte à la technologie d'acoustique virtuelle VAE^{MD} exclusive à Wenger.

Les panneaux acoustiques accordables permettent aux artistes de la salle de répétition de transformer rapidement leurs acoustiques pour la diversité d'ensemble.

La technologie VAE^{MD} du système de pratique offre neuf simulations d'environnements acoustiques directement dans les salles de pratique en appuyant seulement sur un bouton. Pratiquez là où vous jouerez... Virtuellement!

Les sièges d'audience installés conjuguent le confort luxueux à une fonction additionnelle d'insonorité et d'absorption acoustique.

L'écran acoustique motorisé Transform^{MC} vous permet de varier l'absorption acoustique lors d'une répétition ou du lieu de performance.

Le système d'acoustique actif Transcend^{MC} positionne la technologie d'acoustique variable de pointe de Wenger directement au cœur de l'espace de performance pour rendre un lieu polyvalent pour toutes les catégories d'événements du monde parlé à l'orchestre symphonique en poussant simplement un bouton.

**U of T jazz students are passionate about
music and outspoken about their school:**

"At U of T, I am surrounded by great musicians who motivate me to achieve my potential. The environment is nurturing and positive. Everyone wants to learn and grow."

"The small student body creates strong camaraderie and allows for lots of personal interaction with the faculty."

"The teachers are highly respected professional musicians who are genuinely enthused about teaching. They expose my weaknesses and push my limits."

"The curriculum is well thought out and provides students with a strong foundation for becoming professional musicians. Musically, we are encouraged to reach out in different directions."

"Going to school in the heart of Toronto has opened my mind and given me a wider perspective of the world."

NATIONAL ARTS CENTRE CENTRE NATIONAL DES ARTS

Canada is our stage. Le Canada en scène.

The National Arts Centre Orchestra's Music Director Designate, Alexander Shelley, is ushering in a new generation of classical music with his 2015/2016 season.

The season's theme, "Classical Reincarnated" signals a fresh approach: bringing the classics alive by framing them in the context of the people, places and stories that led to their creation. Alexander Shelley, captivated by the voices of Canada's artists, has commissioned the creation of several major new works that will combine the talents of some of this country's most gifted authors, poets, film-makers, directors, composers and choreographers.

His commitment to education and emerging artists will be evidenced through such projects as Rising Star-My First NAC, presented by Corus Entertainment.

CLASSICAL REINCARNATED
nac-cna.ca/reincarnated

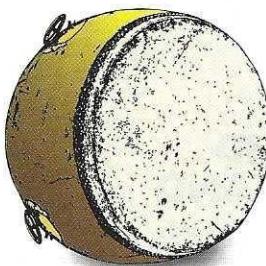

Le directeur musical désigné de l'Orchestre du Centre national des Arts, Alexander Shelley, marque l'entrée en scène d'une nouvelle génération en musique classique avec la saison 2015/2016.

Le thème de cette saison « Le classique réincarné » signale une approche toute nouvelle qui consiste à situer des œuvres classiques dans le contexte géographique et historique qui les a vues naître. Captivé par les voix d'artistes canadiens, Alexander Shelley a commandé la création de plusieurs œuvres d'envergure qui réuniront les talents de certains des plus remarquables auteurs, poètes, cinéastes, metteurs en scène, compositeurs et chorégraphes du pays.

L'engagement du maestro à l'égard de l'éducation et des artistes émergents se manifestera par des projets comme Étoiles montantes - Mes débuts au CNA, une présentation de Corus Entertainment.
